**Dr. Mark Charrette, DC**

We are pleased to announce Dr. Mark Charrette will be providing a 12-hour clinical education class on:

**CHIROPRACTIC EXTREMITY  
ADJUSTING**

We appreciate Foot Levelers sponsoring Dr. Charrette for the October WVCS Convention.

Dr. Charrette is well-known throughout the United States and will bring a wealth of knowledge in regards to Extremity Adjusting, Bio-Mechanics, and spinal adjusting techniques.

Dr. Charrette will teach you how to adjust the most common subluxation patterns found in the feet, knees, hips, wrists, elbows, and shoulders. His incredibly effective adjusting protocols are so easy to duplicate, you can start using them the following Monday morning after the class. Dr. Charrette's specially developed protocols will help you achieve better results for your patients.

**Guest SPEAKER**  
**Dr. Brad Hayes, DC**

Dr. Brad Hayes is recognized as one of the premier presenters throughout the country. He has been to West Virginia several times and the feedback has been excellent.

On Friday, Dr. Hayes will present the 6 hour CE hours which have been mandated by the WV Board of Chiropractic Examiners for 2011-2012. The title is "Administrative Discounting" and will be WV Board approved to accomplish the hours mandated in West Virginia.

On Saturday, Dr. Hayes will provide a complete training for your staff regarding "Administrative Protocols." It will be informative and without question a beneficial program for your CAs and office staff to attend.

You and your staff will find Dr. Hayes to be very informative regarding claims processing.
